

LED Studio Light

TL-SL333

Feature:

- * Control panel: LCD screen + four buttons.
- * Color rendering index: Ra>94.
- * Dimming mode: 0-100% linear dimming.
- * Heat dissipation method: copper tube radiator.

Specifications:

Model	TL-SL333
Input voltage	AC 110-240V 50/60Hz, 220W
Light source	High CRI COB LED lamp bead
Average lifespan	100000H
Color temperature	3000K-6000K
Beam angle	15-60° manual focusing
Channel	3/4CH
Fixture material	Aluminum alloy
Control mode	DMX512/manual control
Protection level	IP20
Fixture size (L×W×H)	455×265×292mm
Package size (L×W×H)	715×675×475mm (4pcs)
Gross weight	35kg
Net weight	6.9kg
