

### Specifications

|                   |                      |
|-------------------|----------------------|
| Model             | T-511G               |
| Element           | Style Of Capacitance |
| Polar Pattern     | Super Heart-shape    |
| Sensitivity       | -35dB±3dB            |
| Frequency         | 60Hz~14000Hz         |
| Output Impedance  | ≤200Ω                |
| Operating Voltage | DC9V                 |

### Rear Panel
