

Electric Box

TV-C8010KW

Feature:

- * Rated power: 10KW, output channel number: 3
- * The input voltage of the electric box is AC 380V±15%, and the power frequency is 50Hz. It has protection functions such as overvoltage, surge, short circuit, overcurrent, overload and leakage protection.
- * Built-in lightning arrester, with lightning protection.
- * It contains multi-function card control, with remote control function.
- * Support remote switch power box, remote communication, power monitoring, temperature monitoring, fire monitoring and other operations through LED screen smart control system software.

Specifications:

Model	KZX
Manual control	Start button / knob
Automatic control	Control software, multi-function card, remote control
Power capacity (KVA)	10KW
Input wiring	3-phase 4-wire & ground wire
Input voltage	380V
Input frequency	50/60HZ
Output wiring	Single-phase two-wire + ground wire, evenly connected to the LED screen
Output voltage (V)	AC 220V
Output shunt	AC 220V
Shunt switch capacity (A)	3 channels, single phase AC 220V
Shunt circuit breaker installation	40A, single phase Track installation
AC contactor model	CJX2-3210
Lightning protection	CHNT
IP rate	IP44
Dimension(H×W×THK)	500mm×400mm×200mm
Weight	10Kg
Operating temperature	-30℃~70℃
