

### Feature

- \* Luxurious indoor wall-mounted speaker, one-piece injection molding structure, simple and elegant appearance, full of aesthetics.
- \* The one-piece stamped and formed mesh grille, pasted with acoustic sound-permeable mesh cotton inside, can effectively prevent dust and water droplets from damaging the speaker unit.
- \* Built-in a 4-inch woofer and a 20-core dome tweeter, the speaker adopts a precise two-way design to optimize the frequency response and the mid-range expressiveness of the vocal part, providing transparent and bright treble, full and flexible bass, and round and clear alto.
- \* It is mainly used in teaching places such as ordinary classrooms, multimedia classrooms and lecture halls.

### Specification

Model	TS-G430
Color	White
Rated power	30W
Maximum power	60W
Nominal impedance	8Ω
Frequency range (-10dB)	100Hz-20kHz
Sensitivity	90dB±3dB
Maximum SPL	107dB±3dB
Subwoofer	4" woofer×1
Tweeter	20-core tweeter×1
Coverage angle (-6dB)	100°(H) 70°(V)
Dimension (H×W×D)	290×147×100(mm)
Net weight	1.5kg
