

Full Color Pattern Light

TL-YTB0-01

Specifications

| | |
|------------------------------------|---|
| Model | TL-YTB0-01 |
| Power Supply | AC100V ~ 240V, 50 / 60Hz 250VA |
| Total Power | 300W |
| Light Source | 200W LED |
| Color Temperature | 6500K |
| Average Life Expectancy | 50000H |
| Optical | High-precision glass optical lens, multi-level optical lens group electronic focusing, linear amplification |
| Beam Angle | 7-27° |
| Scan Range | Pan 540° (16-bit precision scan); Tilt 270° (16-bit precision scan) One |
| Color Wheel | 9 color pieces + white |
| Gobo Wheel (1) | 10 static + open |
| Gobo Wheel (2) | 7 rotating + open (pattern diameter 21.8mm, effective aperture 18mm) |
| Prism | One rotatable 4 prism, with moving effect |
| Dimming | 0-100% linear adjustment |
| Strobe | 0-25Hz/S per second, sync pulse strobe, random pulse strobe |
| Focus | Motorized |
| Motor | 3-phase motor |
| Atomization | 1 independent atomization effect, the spot is soft and natural |
| Control Method | DMX512 , master and slave , voice control and self - propelled mode |
| Channel | 18 channels |
| Display Interface | Adopt wide LCD screen with English display interface |
| Lighting Materials | High temperature plastic + molded alloy material |
| Protection And Other Energy | IP 20 |
| Packing Size | 400*330*680mm |
| Gross Weight/Net Weight | 18.6KG / 15.2KG |
