* The switching power supply and digital amplifier are perfectly and efficiently combined to ensure amplifier reliability.
* With recording function for gooseneck and UHF wirelss microphones.

Specifications

Model	T-6236BMU
UHF microphone	High-grade metal appearance
Output Power	100W
Input sensitivity	MIC1: 150MV/680Ω
	MIC2:5MV/600Ω
	AU×: 350MV/10KΩ
Front output	1V/0dB
Digital amplifier	Class D
MP3 Support Format	MP3
Maximum Support Capacity	32GB USB drive
Sound quality control	Bass 10dB/Treble 10dB
Frequency response	100-16KHz(+1dB,-3dB)
SNR	≧73dB
THD	≦0.5%
Wireless transmission distance	30-50M
Power supply	～220V / 50Hz
Power consumption	150W
Size (mm)	580(L)×420(W)×1200(H)
Weight	30Kg
